

1 271501

The Westminster Whimsy Works produces pictures of irrational objects. These drawings are marketed worldwide under the trademark, "TIZIT", which, of course, comes from the exclamation, "What is it?"

Let's make a picture of a TIZIT now.

First draw football shapes between the points at EG, AB, and LM.
Then draw these segments: CH, EK, CI, FJ, FL, GH, JM, DH, JK, AD, BC.
